

NAME:

WORKSHEET FOR GROUP RESPONSES- ETHICS

This week we will divide into groups of two or three. Please write (or type) your answers to questions 1 and 2 BEFORE CLASS. You will hand in this sheet at the end of the group assignment. **Sheets to be filled out by groups will be handed out in class.** Other than completing this sheet, there is no need to do anything else before class (other than the reading provided on our class webpage and other normal prep work for the quiz).

- 1) Create your own theory of morality. Explain in detail what makes an action ethical and what makes an action unethical. Your ethical theory is designed to apply to all (not to just you as an individual). Your theory of ethics **should be sufficiently detailed as to allow other students to understand it and apply it in diverse situations.**

- 2) Justify (provide reasons) why your above theory is appropriate for application not only to yourself, but to all people and why you think it is a good theory.
